

## Beaver Creek's Spa Anjali now offering cosmetic dermatology services with Dr. Steven Hacker

Clients can experience Botox, Juvederm, Latisse, Dermasweep & more in a relaxing spa setting

AVON, Colo. (July 7, 2011) – [Spa Anjali](#) at The Westin Riverfront Resort & Spa at Beaver Creek Mountain is pleased to announce that it is now offering a full menu of cosmetic dermatology services with Dr. Steven M. Hacker, including Botox, Juvederm, TCA Peels, Latisse, Obagi, Vivite, Tizo Mineral Sunscreen, teeth whitening and Dermasweep.

Dr. Hacker, a renowned board certified Florida dermatologist, top-selling author and founder of the [SkinStore.com](#), is expanding his practice to include a dedicated cosmetic dermatology office in the Vail Valley's award-winning Spa Anjali.

"It was a perfect fit to expand my cosmetic dermatology practice to Spa Anjali at The Westin Riverfront because the patients that frequent Spa Anjali are active and healthy and they want simple, safe, fast and effective cosmetic treatments to maintain their healthy appearance and lifestyle," said Dr. Hacker. "Now we can offer active patients minor cosmetic treatments including Botox and Juvederm and they can still hike or bike the next day and look and feel refreshed."

Dr. Hacker at Spa Anjali will be the first dermatology practice in the Vail Valley to offer Dermasweep, a micro-resurfacing procedure of the skin that includes epidermal infusions.

"This unique and innovative non-crystal resurfacing procedure is ideal for treating the skin of patients exposed to the damaging high altitude elements of mountain life that cause dryness, pigmentation, sun-damage and tired skin," said Dr. Hacker. "The epidermal infusions contain Vitamin C, hyaluronic acid and bleaching agents and are infused into the epidermis after the skin has been primed by resurfacing."

Jena Holt, an established Vail Valley medical esthetician who has worked for several years at Vail Dermatology, is working with Dr. Hacker and is available for Dermasweep appointments, acne facials and back treatments.

Appointments with Dr. Hacker and medical esthetician Jena Holt are available seven days a week at Spa Anjali. They can be booked online at [www.PalmBeachtoVail.com](http://www.PalmBeachtoVail.com) or by calling 970.624.0431. For a limited time, all clients who book a treatment with Dr. Hacker at Spa Anjali will receive a complimentary Latisse eyelash enhancement treatment. Valet parking at the resort is available for patients.
