

Condé Nast Traveler names Beaver Creek's Westin Riverfront the #2 Resort Spa in the U.S.

AVON, Colo. (May 23, 2011) – [The Westin Riverfront Resort & Spa at Beaver Creek Mountain](#) is very proud to announce that Condé Nast Traveler has ranked **Spa Anjali** #2 in its ["Top 100 Resort Spas – U.S. Mainland"](#) for 2011.

The 23,000-square-foot [Spa Anjali](#) at The Westin Riverfront is a complete fitness center focused on total wellness with 14 unique treatment rooms, a full-service salon, a spa boutique and the state-of-the-art Riverfront Club fitness center, which offers a wide variety of daily group exercise classes. The spa also offers access to the resort's saline-based outdoor pool and three riverside hot tubs.

Spa Anjali was designed to share the numerous benefits of the energizing mountain lifestyle with guests, offering a unique treatment menu focusing on healing mountain traditions, specifically from the Rockies, Alps and Himalayas.

Located inside Colorado's first Silver LEED certified hotel, Spa Anjali strives to be as eco-friendly as possible. Respect for the environment was taken into consideration in every step of the spa's design - from the use of environmentally-friendly construction materials to the selection of all-natural and locally sourced product lines. The spa linens, towels and guest robes are made from organic bamboo and muslin.

Spa Anjali also offers the innovative "Green Check-In" program, where guests receive a discount on their services if they come to the spa in the robe from their guest residence, reducing the need to launder a second robe, saving water and energy.

Nestled on the banks of the Eagle River at the base of Beaver Creek Mountain, The Westin Riverfront features 230 finely appointed guest residences ranging from studio suites to three-bedroom condominiums, all featuring custom kitchens, five-piece bathrooms and gas fireplaces. Last fall, The Westin Riverfront was honored as the "Top Resort, Mainland U.S." in Condé Nast Traveler's 2010 Readers' Choice Awards.

The AAA Four Diamond Westin Riverfront is connected to Beaver Creek's spectacular ski terrain via the Riverfront Express Gondola. Amenities at the dog-friendly resort include a Westin Kids Club, a ski valet and on-site ski and snowboard rentals in the winter and bike rentals and a fly

fishing shop in the summer. The resort is also home to [Restaurant Avondale](#), by acclaimed chef/owner Thomas Salamunovich, which serves a seasonal, West Coast inspired menu.
